Raya Plast...
Innovative Packaging Solutions

01 — ABOUT US

Founded in 2011, Raya Plast is one of Egypt's leading manufacturers of PET plastic packaging solutions

We specialize in producing premium-quality PET bottles and containers for the food, beverage, pharmaceutical, cosmetic, and chemical industries.

With advanced manufacturing technologies, international partnerships, and a strong commitment to innovation, Raya Plast delivers packaging solutions that combine durability, sustainability, and outstanding product performance.

Beyond manufacturing, we are also a trusted supplier of premium PET raw materials and masterbatch, helping businesses achieve the highest production standards.

02

MISSION

To provide innovative, sustainable, and high-quality PET packaging solutions that exceed customer expectations while supporting industries with reliable products, advanced technologies, and exceptional service

03

VISION

To become the leading PET packaging manufacturer in the Middle East and Africa by driving innovation, embracing sustainability, and setting new standards in packaging excellence

04

WHY CHOOSE US

Advanced Manufacturing

Equipped with modern production lines and cutting-edge PET technologies.

Innovative Technology

Licensed manufacturer of the revolutionary IMH™ (Integrally Molded Handle) bottle technology

Premium Quality

Manufactured using food-grade raw materials with strict quality control.

Custom Solutions

Tailor-made bottle designs that match every customer's brand identity.

Reliable Supply

Consistent production capacity with on-time delivery across Egypt and the region.

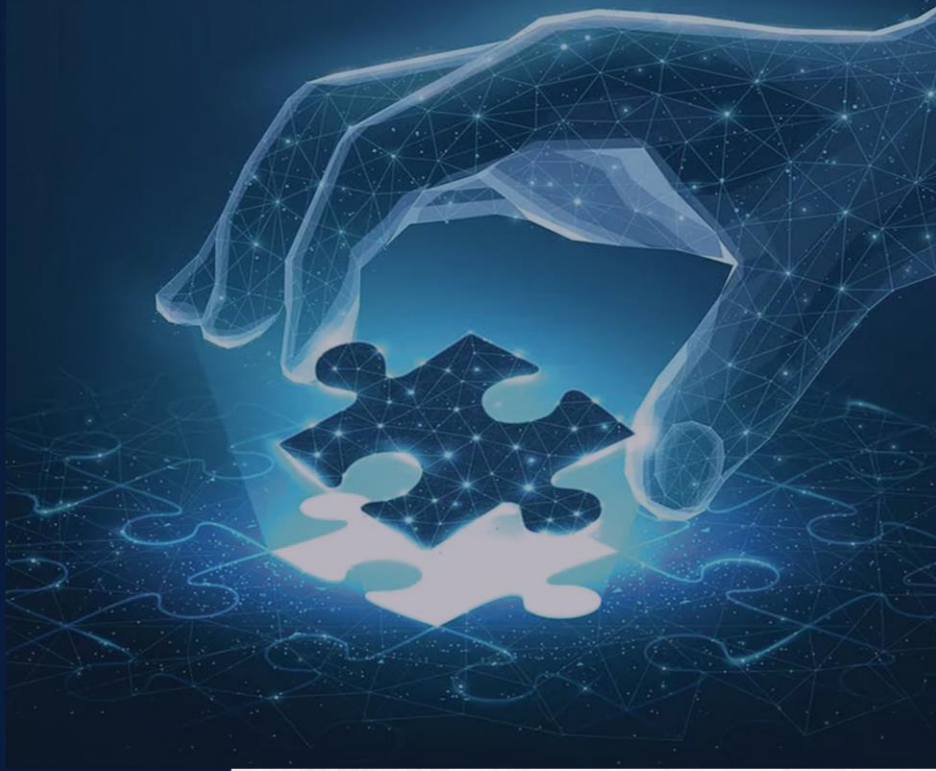

Sustainability

Committed to recyclable materials and environmentally responsible manufacturing.

Strategic Partnerships

Exclusive partnerships with internationally recognized plastic technology companies.

06

OUR TECHNOLOGY

IMH™ TECHNOLOGY

Raya Plast proudly offers the innovative Integrally Molded Handle (IMH™) technology, delivering a new generation of PET bottles with integrated handles.

Benefits

- Lightweight Design
- Stronger Structure
- Fully Recyclable
- Improved Shelf Performance
- Better Consumer Experience
- Lower Transportation Cost
- Reduced Material Consumption
- Enhanced Product Appearance

07

OUR PARTNERS

Our success is built on strong collaborations with internationally recognized companies including:

Ener Plastics

Leading manufacturer of masterbatch and specialty raw materials.

Integrated Plastics

Global innovator and developer of the patented IMH™ bottle technology.

Together, these partnerships enable Raya Plast to deliver world-class packaging solutions to the Egyptian and regional markets.

08

CLIENTS

We proudly serve leading companies across multiple industries, including:

- Food & Beverage Manufacturers
- Pharmaceutical Companies
- Cosmetics Brands

Our growing customer base reflects the trust placed in Raya Plastics' quality and reliability.
